To : Human Resource “ GIG investment Group (Getasew ayalew Import & Export) ”

Dear sir/madam

I am contacting you in regards to recruitment of qualified professionals in the position that related with **Computer Science and engineering (CSE)**. I am ready and proficient person to fit the position you posted which is “ junior Information technical ”. My enthusiasm for work along with my recent Bachelor of Science in Computer Science and engineering (CSE), prompted me to forward my resume to you immediately with the hope of further discussion on my qualifications for this job. I had basic skills and work experience on several programming languages like python and JAVA also frameworks for website development like JANGO and LARAVEL. Also I participate and did many projects on advanced and recent topics that are vital to the respected purpose. Among them I did project full network Installation to Ethiopia post office at Bahr Dar. Project that can connect ARDINO UNO hardware with proutes Software That lids Crosslink mobile device with Bluetooth to control light bulbs, temperatures and humidity of well-defined room/space. Design and create mobile application with flatter framework on dating application which is a platform that used to connect peoples on identical medium. My final year project works on customizable navigation system on Adama science and technology university (ASTU) it has mobile application and backend website.

I believe my background and dedication to service of those in need demonstrates my personal drive to make a difference.

In addition to my strong academic background, I have had valuable team leading and volunteer teaching experiences. I was leader of an educational group and teamwork in university especially when we perform different projects at Astu computer science and engineering laboratory for five years and participated in different associations and clubs.

My resume is enclosed and I am also attached my testimony for your consideration. Thank you for your time, and I look forward to hearing from you soon. Please feel free to contact me at +251 947018565 or by email at abiy23all@gmail.com.

Yours Sincerely, Abiyu alemayehu

SUMMARY OF QUALIFICATIONS

A New Graduate with a Computer science and Engineering Technology Possessing a sound background in data communications and wireless communication , natural language processing and AI , with programming language python and JAVA with a highly-motivated, productive and customer-focused team player with strong communication, interpersonal, organizational, time management, analytical and solution-oriented skills.

Education

Adama science and Technology University, Adama

Computer Engineering Technology BSC , GPA of 3.54

20010 - 2015

Tewodros High School, Debre Tabor, Ethiopia

2006 - 2009

Skill Highlights

- Project management
- Strong decision maker
- Complex problem solver
- Creative design
- Innovative
- Service-focused

Internship Experience

ICT trainer - 010/2014to 012/2014 and 10/2013to 12/2013

- Bahir dar institute of technology university (BiT) on ICT Research development Trainer
- Adama science and technology ICT Trainer.
- ✓ I did project full network Installation to Ethiopia post office at Bahr Dar. Project that can connect ARDINO UNO hardware with proutes Software That lids Crosslink mobile device with Bluetooth to control light bulbs, temperatures and humidity of well-defined room/space
- ✓ I had basic skills and work experience on several programming languages like python and JAVA also frameworks for website development like JANGO and LARAVL

Volunteer Experience

- Teaching Students in summer at Debre tabor , .
- Charity club at ASTU

Certifications

Certified for being a member and an active participant in Charity club at ASTU

TO WHOM IT MAY CONCERN

This is to certify that

Abiyu Alemayehu Kelkaye

graduated from the

School of Electrical Engineering & Computing

with **BSc Degree in Computer Science and Engineering**

(Major GPA of **3.54** and CGPA of **3.44**)

Exit Exam: **Pass(53%)**

On July 20, 2023 G.C

This temporary certificate of graduation has been given pending the printing and issuance of actual diploma and transcript which will be given after the completion of the obligation stated in the cost sharing scheme.

"We are dedicated to Innovative Knowledge"

TO WHOM SO EVER IT MAY CONCERN

I am writing this letter with an experience of 20 years in research and teaching. Currently, I am working at Adama Science and Technology University, Adama, Ethiopia as an Assistant Professor in the department of Computer Science and Engineering. I have known Abiyu alemayehu for 3 years at Adama Science and Technology University in the Computer Science and Engineering department. During this time, I taught him subjects like Python, Data Mining, database and distributed systems. I watched Abiyu alemayehu grow into an outstanding individual who excels in both his academic and personal pursuits.

As Abiyu's teacher, I witnessed his extraordinary ability to quickly understand advanced Computer concepts and then adeptly apply them to real world situations firsthand. As evident from his academics, Mr. Abiyu alemayehu has been an extraordinarily bright student and has maintained a consistently good academic record which indicates his compassion for studies and achieving the best available opportunities.

Abiyu's compassion and charisma are beyond his years and he is well-loved by his peers, as well as all those who had the pleasure of teaching him. Whenever any of his fellow students are having a difficult time or feeling down, he never fails to step in with an encouraging word and a smile. I highly recommend you accept Mr. Abiyu alemayehu for admission and scholarship for males in computer science of your esteemed Organization.

I, therefore, strongly recommend student Abiyu alemayehu for the aspired employment or further training and study with best wishes in his endeavor.

Please feel free to contact me if you have any questions regarding him character or past academic work at, (251)904433041 or gktiruvedula@gmail.com.

T. Tiruvedula

Yours Sincerely,

Dr. Tiruvedula GopiKrishna, Ph. D. Assistant Professor, Dept. of CSE, Adama Science

TO WHOM IT MAY CONCERN

I am writing this letter to enthusiastically recommend **Mr. Abiyu Alemayehu Kelkaye** for admission to higher education or computer science and engineering job positions. Having known him for five years and having had the privilege of serving as his department head in the esteemed Department of Computer Science and Engineering, I can confidently attest to his exceptional qualities and unwavering dedication. Throughout our association, I have witnessed **Mr. Abiyu Alemayehu Kelkaye's** remarkable growth as an individual who consistently strives for excellence in both academic and personal pursuits. His insatiable curiosity and passion for learning have been evident in every endeavor he undertakes. Whether it is delving into complex subjects or collaborating with diverse teams, **Mr. Abiyu Alemayehu Kelkaye** exhibits an extraordinary eagerness to explore new frontiers and expand his knowledge.

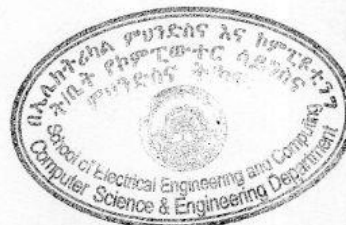

His academic achievements stand as a testament to his exceptional abilities. His commitment to his studies is matched only by his creativity and innovative thinking, as reflected in the impressive projects he has successfully completed. **Mr. Abiyu Alemayehu Kelkaye** has successfully passed the national exit exam this exceptional achievement showcases his exceptional dedication and proficiency in the field. **Mr. Abiyu Alemayehu Kelkaye's** inquisitive nature, coupled with his meticulous attention to detail, allows him to analyze problems from multiple perspectives and arrive at insightful solutions. Beyond his academic prowess, **Mr. Abiyu Alemayehu Kelkaye** possesses a character that radiates integrity and humility. He exemplifies honesty, both in his interactions with others and in his approach to his work. Moreover, his open-mindedness and receptiveness to diverse viewpoints foster an inclusive and collaborative environment, earning him the respect and admiration of his peers and mentors alike.

With great conviction, I wholeheartedly recommend **Mr. Abiyu Alemayehu Kelkaye** for consideration in your esteemed organization. I have no doubt that his exceptional abilities, passion for computer science, and unwavering commitment to excellence will make him an invaluable asset to your team. Should you require any further information regarding his character or academic achievements, please do not hesitate to reach out to me at mesfin.dagne@astu.edu.et or dcse.soeec@astu.edu.et

Thank you for your time and consideration.

Warm Regards,

 Mesfin Dagne Asefa
Head, Department of
Computer Science & Engineering

CERTIFICATE

— OF APPRECIATION —

Presented to

Abiyu Alemayehu

Thank you for your exceptional commitment and dedication towards charity activities as a **member of the ASTU Charity Club and 20/25**. Your efforts in organizing blood donors, visiting and helping elder and childcare organizations, organizing fundraising events, and assisting custodian and food service workers of the university have significantly contributed to the welfare of society. Your selfless service is highly appreciated
